Bob Seibel

"Buffoon" ... the class clown from Lynn. Seibel tried teaching school before he discovered he could make people laugh and get paid for it. 25 years later, he's one of the most requested acts in New England, headlining top clubs like Nick's Comedy Stop and Giggles. He's a world traveler and licensed pilot – but when a friend was asked to fly with Seibel he said, "Fly with you? I wouldn't get in a simulator with you!"

Paul Nardizzi

Paul Nardizzi is one of the country's top comedians and author of the hilarious Things That Might Annoy ... it pokes fun at Yankee & Jets fans, Republicans, and Democrats. With a rapid-fire style and sarcastic bent, he's appeared on Conan O'Brien, Fox's Best Damn Sports Show Period, Comedy Central, and NESN's Comedy All-Stars.

Al Park

Al Park came late to stand-up comedy but quickly emerged as a unique, authentic and talented voice in the legendary Boston scene.
